79 amalgamated hromadas

16 cities **6** villages

15 hromadas in the process of amalgamation

2 cross-municipal cooperation

24 oblasts participated in the selection

PROCESS OF PARTICIPANTS SELECTION

- 1 The Experts' Committee evaluates and selects the applications
- 2 Programme's experts visit 118 hromadas to analyse their ability to implement the project
- 3 Based on the results of the visits, each capable hromada will receive the Terms of Reference (ToR), which includes

List of requirements for the institutional establishment

Recommended choice of model for ASC

List of needed IT equipment, furniture, software

Recommended plans and design for the ASC premises

THE PARTICIPANTS OF THE PROGRAMME RECEIVE

Institutional support

- Development of the Terms of Reference for the ASC
- Consultations on the ASC establishment
- Training of ASC staff
- Awareness raising and citizen participation
- Study visits and experience exchange

Physical support

- Furniture, IT equipment, software for ASC
- Plans and design of premises/visualisation of ASC

Special forms of support

- Electronic queue management system
- Mobile ASC

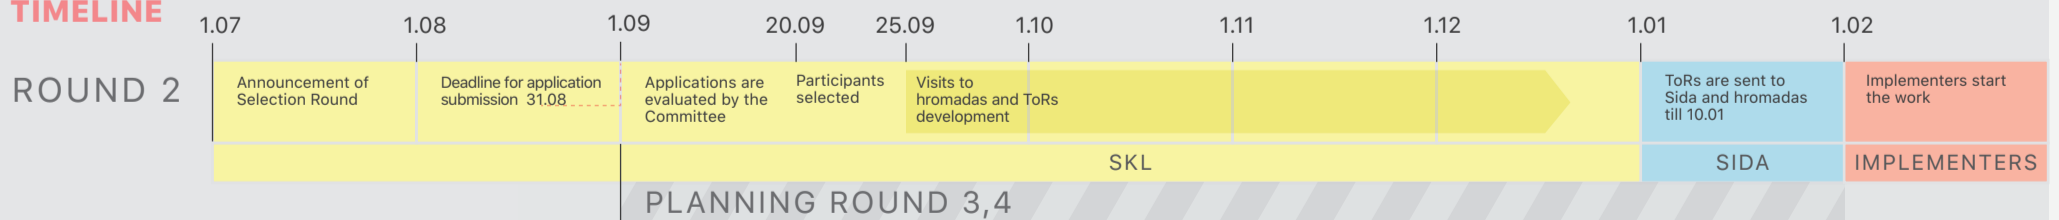

WHAT IS EXPECTED FROM PARTICIPANTS

- Co-financing
- Refurbishment/construction if needed

The implementers cannot start their work if the ASC premises do not meet the requirements
Hromadas that have shown to be unable to implement the project, can apply for participation in the next selection rounds

TIMELINE

More detailed information on the terms and conditions of participation in the Programme is available on the website
